The Florida Fellows Institute was created by Florida ACTEC Fellows to develop the profession's future leaders in trust and estate law through a series of in-depth educational presentations led by outstanding subject matter experts in each field.

Class III includes three, two-day sessions for professionals who have been nominated by an ACTEC Fellow and selected through a competitive application process. Sponsors have a unique opportunity to reach these aspiring members of the trust and estate profession.

Presenting Sponsors for Class III of the Florida Fellows Institute will be selected for each of the six program days. While Presenting Sponsors may sponsor multiple days, sponsors will be limited to one per business category per program day.
